Vegan Seafood! Huh?

All Non GMO, Gluten Free, Kosher and Delicious!

- 100% plant-based, vegan and vegetarian
- No preservatives, colors, fillers or added sugar
- 9 Soy-Free varieties!
- Delicious alternative to dwindling seafood sources and overcrowded fish farms
- Designed for those who want to add more plant-based foods to their diets, for the weight conscious, and those with allergies

Our Products are made with Konjac root, pronounced 'kon-jack', an ancient, Asian staple. Low in calories, high in fiber.

First developed for our daughter who is allergic to seafood, we use our 20 + years of creating vegetarian foods to offer these delectable, revolutionary category innovations!

We will feature your store on our Facebook page!

Vegan Seafood! Huh?
WITH KONJAC,
A TRADITIONAL ASIAN SUPERFOOD!

- 11 delicious varieties!
Breaded and non-breaded!
- 100% Plant-Based, Vegan & Vegetarian
- No GMO's, preservatives, colors or fillers
No added sugar
- Cholesterol free!
- Delicious alternative to dwindling seafood sources and overcrowded "fish farms"

It all began when our first child Sophie had an extreme allergic reaction to seafood. We decided to create a delicious, alternative for vegetarians/vegans, the health conscious and...for those who, like Sophie, love seafood yet want an alternative! !
